

## Before You Go To The Pharmacy

### Call your insurance provider to confirm:

- Is Prenate<sup>®</sup> covered by my insurance?
- Have I met my deductible so that I qualify for coverage?
- If covered, what should the cost be for 1 month supply?
- If Prenate<sup>®</sup> was covered prior to January 1, 2018, ask your insurance provider about recent changes that may have impacted your coverage.
- Be sure to have your prescription filled at a pharmacy on the eVoucherRx<sup>™</sup> network. You can find pharmacies near you online at <http://evoucherrx.relayhealth.com/StoreLookup>.

## At The Pharmacy

- If the pharmacist tells you that your prescription is not in stock, ask to have it ordered. They should be able to get it to you within 24 hours.
- DO NOT** switch to any prescriptions that your doctor did not prescribe.
- Ask your pharmacist if they have a recurring refill program.

## Universal EMR Instant Rebate Codes

For all pharmacies not able to participate in the Avion e-voucher program we offer a universal ID that will allow the patient to enjoy instant savings off of each prescription. Please present the IDS below for the appropriate prescription and the savings will be automatically applied to the prescription.
